Personal Summary:

I am Praveenraj Subramaniyan. I have a Bachelor's degree in Computer Science from Mookambigai College of Engineering. Additionally, I have completed a Full Stack Developer course in MERN Stack from Guvi Geeks.

Professional Summary:

In terms of work experience, I have worked as a Software Developer at Syncfusion Software, where I gained valuable experience in web application development using ASP.NET Core. I have also worked on creating tools for updating values in databases and triggering Azure pipelines using C# and APIs. Moreover, I have expertise in Windows application development using Final Builder, WIX, and bootstrapper. During my time at Syncfusion Software, I had the opportunity to work with Azure DevOps, including Virtual Machines, Images, Virtual Machine Scale Sets, Pipelines, and Azure SQL. I am also familiar with database migration, GIT, and AWS Cloud.
